Dedication

We, the class of 1959, dedicate our SENUAL --the last annual of Lafferty High School--to our school, through whose doors have passed many students preparing for life in a democracy of an overchanging world. The students, with their hopes and ambitions, have been guided through the years in their quest for knowledge.

It is to the faculty, we also dedicate this SENUAL. They have given us knowledge, advice, and guidance in our plans for the future.

Our yearbook is one of the most important achievements in our school life, and we would like to share it with you.

School Progress

Oak Hill School was built in 1880.

Paul Major was the last teacher.

The cornerstone of Lafferty School was laid in May, 1921.

The first graduating class was in 1925.

This picture was taken in 1940.

An addition of a Gymnasium-Auditorium Building was in 1936.

The last addition was an outdoor ball court in 1958.

Lafferty School as the last class graduates-- Class of 1959.

From this time forward the high school students of Lafferty will attend the new Union Local High School at Morristown.

Principal's Message

To the young men and women of Lafferty High School:

Our seniors graduating in 1959 will be the last class to graduate from Lafferty High School.

Those of us who have been closely associated with the school as administrators, teachers, patrons or students can certainly take great pride in the many graduates of this school who set high standards and ideals for themselves, who worked hard, and are now good representatives of Lafferty High School.

The hard work and progressive attitude of the citizens in our school district has culminated in the erection of the new Union Local High School with modern facilities and promise of better educational opportunities for our youngsters.

Let us hope that the modern tools for education provided by the new school will be used by the students to fashion products that will meet the highest standards of vocational, societal, and citizenship requirements.

Joseph Paytash, Jr.
Principal
